Work/Healthcare Experience

FEBRUARY 2020 - PRESENT

The Optometry Center for Vision Therapy – Vision Therapist

Created and facilitated individualized physical therapy programs of the eye by working closely with a team of doctors. Worked with regular patients weekly, kept medical documentation for each patient, and consulted with patients and/or guardians about the scope of their program.

JANUARY 2019 - DECEMBER 2020

The University of Texas at Austin – Undergraduate Teaching Assistant

Helped facilitate freshman biology courses through holding discussion sections, weekly office hours, and exam reviews, in addition to grading exams. Taught students topics that were not fully disclosed or understood in lecture.

AUGUST 2018

Global Medical Brigades, Darien, Panama – Volunteer

Went on medical brigade to Panama for ten days. Helped local dentists perform teeth cleanings, facilitated triage checkups, and educated children in the community on public health measures.

Education Experiences

AUGUST 2017-MAY 2021

The University of Texas at Austin – BSA Biology

Major in biology with a BDP certificate in social inequality, health, and policy. 7x University Honors. GPA of 3.79.

JUNE 2019-MAY 2021

Freshman Research Initiative – Research Assistant/Peer Mentor

Facilitated research aimed at solving questions about genetic mutations. Served as a mentor to incoming researchers.

AUGUST 2013-JUNE 2017

Hutto High School – High School Diploma
